The main purpose of this programme was to create awareness among the students and surrounded people regarding Cleanliness and its benefits. Under this programme 50 students had participated. Even teachers were the essential part of this drive. As a part of this Cleanliness drive, we had to clean the public road, open grounds, buses stands and entire college. The sweepers of the college had to be observers. This year on 2nd October 2018, the whole nation was celebrating 150th birth anniversary of the Father of Nation Mahatma Gandhi. This day has become symbolic of cleanliness Drive in the country.

The principal started the programme by cleaning the corner of the playground. Then the teachers and students followed. Some of the students picked brooms and started their job. Some of the students did the dusting of the class rooms. And other went to the playground and bus stands and started picking wrappers lying scattered there. After collecting them they threw them in to the dustbins. After doing this job for three to four hours, we all assembled in the college hall. There, students were given refreshment in the form of bananas and Wada paws.

Thereafter the principal delivered the speech telling the students the important of sanitation. He also honoured the sweepers of the college for their noble work at the college. In the end the students took Oath of keeping house, locality and city clean. It was a unique experience for the students. The students were curious to be the part of this great drive that could have transformed the face of our country for ever.

Lecture Series on Plastic Free Abhiyaan

In collaboration with Savitribai Phule Pune University, our college has organised Plastic Free Abhiyaan on 15th December, Plastic never bio-degrades and disrupts our endocrine system, and is suspected to cause cancer, infertility, and many other diseases. The Plastic Free Challenge is designed to raise awareness and promote solutions. The campaign is fuelled by creative contributions and your participation. While it is an important material for our economy, providing multiple benefits to modern day living, plastic can take thousands of years to biodegrade. It takes up valuable space in landfill sites and is polluting the natural environment, having a significant impact on our oceans. Plastic Free Abhiyaan helps to Reduce Waste. Since plastic bags do not biodegrade, they always exist in landfills and oceans. Nevertheless, recycling used plastic bags significantly decreases the amount of waste that goes to landfills. This helps to reduce land and water pollution as landfills play a major role in the destruction of our environment

This abhiyaan was inaugurated by the Principal Mr. Sanjay Kandekar and campaign was done at Jambhulwadi.Pune . This abhiyaan highlighted the awareness of recycling used plastic bags significantly decreases the amount of waste .163 volunteers (GIRLS and BOYS) of the college, from various classes participated in the Campaign. All the Teaching and Non-teaching staff members also participated in the campaign.
